Introducing the new SAMSUNG Magnet™—the ultimate expression in messaging, style and value. Heavy on functionality and light on the budget, the Magnet™ boasts a full QWERTY keyboard so you can express yourself through text messaging, mobile email and instant messaging. And, with one-touch messaging, you can share the latest news with your crew starting with one super quick key. It's pretty much everything you need to stay in the loop whenever and wherever. Go ahead, express yourself with the new Magnet from SAMSUNG.

full qwerty keyboard

The Magnet™ has a built-in, full QWERTY keyboard that lets you type faster – and communicate faster.

one touch key

You want to send a message fast? Open an app? Play a game? One-touch buttons help you get to where you want to go quickly and easily.

multiple messaging

Messaging is fast and easy on the Magnet™. And you have all kinds of choices. You can do text messaging, Instant Messaging, Voice SMS, picture messaging and email. And you can do it with style.

mobile email

If you use Yahoo!® Mail, AOL®, AIM, AT&T or Windows Live®, the Magnet™ lets you keep up with your email, no matter where you are.

ENERGY STAR®

Powered by an ENERGY STAR® qualified adaptor for a better environment.
