

performance in style

The SAMSUNG Propel™ Pro is a trendy, compact device that's designed to handle all your needs, both business and social. From taking pictures to surfing the web, viewing PDFs to creating Excel® files, this phone has you covered. The Propel Pro even has a slide-out QWERTY keyboard and synchronized email so staying connected is as easy as, well, picking up the phone.

Windows Mobile® 6.1 standard

With on-the-go access to the entire Microsoft® Office Mobile Suite – including Outlook®, Word, PowerPoint® and Excel® – you'll never miss your computer again.

slide-out QWERTY Keyboard

Slide out the full QWERTY keyboard, so you can text, email and IM quickly and easily. Slide it back in, and you'll be stylish and compact.

3.0 megapixel camera

Never worry about leaving your camera at home again. The Propel Pro has a 3.0 megapixel camera, so those quality moments can easily become quality pictures.

direct push corporate email

Keep up with the office without being there. The Propel Pro synchronizes with your corporate email account so you can read and reply to email anytime, anywhere.

Wi-Fi capable

With the Propel Pro's Wi-Fi capabilities, you can switch your connection seamlessly between your cell phone network and local wireless internet hotspots. Now your mobile communications have even greater flexibility.

ENERGY STAR®

Powered by an ENERGY STAR® qualified adaptor for a better environment.
