

# Clearly superior.

Looking for a mobile as tech-savvy as you are? The Behold® II is the latest Android phone with corporate email synchronization, WiFi, and visual voicemail. And its Webkit-based browser is fully integrated with Google applications so you can check Gmail, automatically add an event to your calendar, and find directions with Google Maps. The Behold® II also features a 3.2" AMOLED screen so you can view your graphics, photos and YouTube videos in clarity. And it is everything you need for multimedia, offering 16GB of expandable memory, Bluetooth 2.1, MP3 music player and a 5MP camera/camcorder with auto-focus, flash and 8x zoom. It's truly something to behold.

## Android Platform

The Behold® II is fully integrated with Google applications, so you can view Google Talk friends' status, check your Gmail and synch events to calendar. With the Behold® II connect to Android market quickly and easily to download apps galore from games, news & weather, shopping and social apps.

## 3D Cube Navigation

You can easily access popular multimedia programs with the 3D cube navigation button. With one touch, you can access YouTube, the AmazonMP3 store, the web, and your music, photography and video gallery.

## 5.0MP Camera/Camcorder

Capture moments in stunning detail with the 5 megapixel camera and camcorder. With multiple modes and tons of editing features, capturing is fun and easy with auto focus and flash. Get a closer look with the 8x zoom feature.

### 3.2" AMOLED Screen

The 3.2" AMOLED screen provides crisp images on your phone so you can view brilliantly sharp images and graphics. View photos and YouTube videos in exquisite clarity with a simple touch.
